Robins Air Force Base Job Announcements

Applications for positions at Robins Air Force Base (AFB) are not accepted continuously. All vacancies are announced to the general public as they occur. Information about positions open to the general public may be obtained by calling a 24-hour recording at (478) 926-5661.

Information about positions restricted to reinstatement or transfer eligible only may be obtained by calling (478) 926-6666. All job listings are posted at the Robins AFB Employment Office, Building 1524, located adjacent to the Museum of Aviation. Forms necessary to apply for civil service positions may be obtained from this office from 7:30 a.m. to 4:00 p.m., Monday - Friday. Job announcements for Robins AFB are also listed on the Internet web sites listed below.

INTERNET

USA JOBS: You can connect to the USA JOBS web site at www.usajobs.opm.gov. To narrow your search to Robins AFB jobs, complete the following steps at the main menu:

1. Click "Advance/International Search" in the upper right-hand corner of the page
2. Scroll down to the box labeled "Location Search", then scroll down within this box until you reach "GA-Robins AFB" and click this link
3. Below that in the "Applicant Eligibility" box, read each statement and answer either "yes" or "no" accordingly
4. Click the "Search for Jobs" link at the bottom of the page and the listing of jobs will appear. Pick the job to your liking for Robins Air Force Base and click on the job title for details on how to apply.

NOTE: After completing these steps, you will see a listing of the current jobs available at Robins Air Force Base (AFB), GA. You can click on any job title to your interest to obtain detailed information concerning its duties, qualifications, methods of applying, and points of contact.

Further, there may be more than one page of job announcements listed. This is shown just to the left of the "Map Results" heading right above the "Agency" and "Location" headings tab. (Note: there will be a red flag to the left of the heading tab entitled "Map Results"). This will be displayed as follows:
